

**Agip 7007
SAE 0W-30**

**VW 506.01
VW 503.00 + 506.00**

Modern fully synthetic engine oil with reduced HTHS viscosity that had been especially developed for all vehicles with gasoline and diesel engine of the VW Group starting from model year 2000 with prolonged oil-drain-intervals (WIV), incl. pump-injection-engines.

Characteristics (typical figures):

Agip 7007	Unit	SAE 0W-30	Test Methode
Kinematic Viscosity at 40 C	cSt	52.6	ASTM D 445
Kinematic Viscosity at 100 C	cSt	9.7	ASTM D 445
Viscosity Index		167	ASTM D2270
Density at 15 C	kg/l	0.856	ASTM D 4052
Flashpoint	C	223	ASTM D 92
Pourpoint	C	-39	ASTM D 97

Properties and Performance:

Properties and performance

Fully synthetic fuel efficiency engine oil of the newest technology, that meets the special requirements for prolonged oil-drain-intervals of the VW-specification 503 00, 506 00 and 506 01 and is approved by name for the VW-Group.

It excels due to

- excellent wear protection
- excellent flowability at low temperatures
- optimum lubrication safety, also at the longest approved oil-drain-intervals of VW
- reduced HTHS viscosity that allows a maximum fuel economy

Applications:

Agip 7007 has been especially developed for the newest engine generation of VW and is approved for vehicles starting with model year 2000 with prolonged oil-drain-intervals (**WIV**) incl. the pump-injection-engines. Due to the prolonged maintenance intervals (**WIV**) oil change intervals for gasoline engines (VW 503 00) up to 30.000 km and for diesel engines (VW 506 00/506 01) up to 50.000 km respectively 2 years are possible.

Attention: Engine oils of the VW standard 503 00, 506 00 and 506 01 are not backwards compatible, that means they are not allowed to be applied in engines of "not-WIV-vehicles". For these vehicles **Agip 7004** with the VW approval 500 00, 505 00 and 505 01 is available.

This special engine oil must not be universally applied for all engines.

Please observe the manufacturer's specifications when selecting products!

Specifications

Agip 7007 meets or exceeds the requirements of the following specifications.

specificatie

ACEA A1, B1

ACEA A5, B5

BMW LONGLIFE-01 FE

VW 503.00 + 506.00

VW 506.01
