

Agip Tec 2T

API TC

Agip TEC 2T is a semi-synthetic low-smoke engine oil for the newest generation of the 2-stroke engines.

Characteristics (typical figures):

SAE		30
Viscosity at 100°C	mm ² /s	11.8
Viscosity at 40°C	mm ² /s	94
Viscosity index		115
Pourpoint	°C	-24
Flashpoint	°C	125
Density at 15°C	kg/l	0,874

Properties and Performance:

- ⇒ **Agip TEC 2T** is formulated with a very modern low ash additive package and excels with its extremely high detergent properties. They minimise deposits in the combustion chamber and piston ring area, the exhaust system and all components are kept clean and the formation of soot at the spark plugs is reduced.
- ⇒ **Agip TEC 2T** offers excellent protection of the engine against corrosion, rust and wear.

Applications:

However **Agip TEC 2T** had been developed for oil injection systems it also can be used for oil-in-gasoline lubrication. The product can be applied in unleaded and leaded fuel.

Please observe the manufacturer's specifications when selecting products!

Specifications

Agip TEC 2T, meets or exceeds the requirements of the following specifications.
